

**Item #63 (The Real Presence of Christ in the Eucharist)**

There is an abundance of material on the web about the Real Presence of Jesus Christ in the Eucharist. This is useful to know inasmuch as so many Catholics in the United States do not believe in the Real Presence. I suggest that anyone who is interested in this question—Catholic or non-Catholic, Catholic believer in the Real Presence or non-believer—type in the words “The Real Presence of Christ in the Eucharist” on a search engine and inform himself or herself about this key belief in the history of religion. It is a very useful supplement to the material already posted on this website. As such it is important for elucidating John 6,60-69.
